WAYNE SELL ANNOUNCES ANOTHER RECORD BREAKING SALES YEAR IN 2013

Wayne Sell is pleased to announce that 2013 was another record breaking year!

PITTSBURGH, PA – December 31, 2013 – Wayne W. Sell Corporation (Wayne Sell), a leader in the transportation of flat, van and bulk commodities across the Midwest and North East, today announced that 2013 was another record breaking year in the company’s history. In 2013, the company’s sales increased by fifty percent from the year prior. It was another very busy year for the company. Fifteen brand new tractors were added to the fleet. In addition, fourteen new tank trailers were purchased. The company also added several Owner Operators and worked to expand its Broker division. All of these additions were made to help better meet the needs of customers. As 2013 comes to a close, Wayne W. Sell Corporation looks to the future, and what to expect in the coming year. Many of the company’s customers work in the Natural Gas industry. The demand for natural gas is projected to steadily increase in the coming years, as it becomes more common for it to be used in the generation of electricity. Wayne W. Sell Corporation plans to continue to expand to satisfy the needs of the customers in this growing industry. This is why the company predicts that 2014 will be yet another busy and successful year.

“The continued growth of the company is very promising,” said John Sell, president of Wayne Sell Corp. “This growth is a direct result of the hard work of everyone on our team; drivers, dispatchers, mechanics, and office staff.” That is why John is happy he can reward this hard work with the company Christmas gift, and the Christmas Luncheon, which was hosted on December 23rd. This year’s gift was a personal cooler featuring the company logo and a Giant Eagle gift card to help each employee as they were shopping for their Christmas dinner. John went on to say that he, “looks forward to 2014 and all the new opportunities it will bring for the company.”

The company's continued growth is very exciting. It is a testament of the hard work and dedication of everyone on the Wayne W. Sell team. We are very happy about everything we have been able to accomplish in 2013, and we can't wait to see what 2014 has in store for Wayne W. Sell Corporation!
